

## Centre for Research and Innovations in Educational Practices (CRIEP)

### WHO WE ARE

*Centre For Research and Innovations in Educational Practices (CRIEP)\** is a non-government voluntary organization dedicated to uplifting communities through its impactful initiatives in Education. It runs a ladies-led daycare preschool-KIDS' ZONE, offering exceptional childcare and education to support working women.

Additionally, the organization operates a career guidance and counselling centre - DISHA for School and College going students, empowering them to make informed decisions about their future.

In 2023-24, the organization introduced STMMEA scholarship program for talented yet underprivileged students from the hilly terrains of Uttarakhand. To facilitate the fund raising it launched its new project "UPLIFT". The funds raised under this project supports the education of needy students from the region.

Through these community-driven projects, the organization is empowering lives and fostering hope in underserved communities of hilly terrain.

*\*(Reg. Name - Centre for Research and Enhancement of Educational Practices (CREEP))*
